## **CPP ASCE Events/Socials**

### **Pacific Southwest Conference (PSWC)**

The Pacific Southwest Conference is an annual student conference where members are able to grow their relationships with each other through teamwork and technical skills. The memorable experiences that first-time attendees gain and the desire to succeed motivate them to keep staying involved with ASCE.

### **Donald G. Wells Alumni Golf Tournament**

The Donald G. Wells Alumni Golf Tournament is an annual fundraising event. Funds are raised to award the Don Wells Memorial Scholarship each year. It is also used to financially support competition teams.

### **CPP ASCE Socials**

CPP ASCE organizes various socials throughout the school year to allow members to meet their fellow engineering students and have a great time bonding and networking.

### **Mentorship Programs**

CPP ASCE provides a variety of mentorship programs for our members. The mentorship programs allow for the members to interact with fellow civil engineering students and alumni.

### **General Meetings & Webinars**

The General Meetings serve the purpose of keeping the general members informed on the latest ASCE events and news. At each meeting we provide a variety of professional guest speakers and panels to provide more insight on the industry and allow for Q&A sessions with our guests.

### **Q&ASCE**

Q&ASCE is where students can come to have their questions answered or assistance on engineering or school related topics.

### **Professional Development Workshop (PDW)**

The Professional Development Workshop is an annual event created to prepare students professionally for upcoming job fairs, and interviews, while also creating a networking opportunity amongst students and professionals.
